Digi'Aware – Project Update

The resources are ready for translation!

The Handbook, Training Kit, e-HUB and Open Educational Resources – are currently being translated! The resources can currently be found in English on the Digi'Aware e-HUB, for those who are eager to explore the resources already! You can check them out here, on: <https://digi-aware-elearninghub.com/>. Over the upcoming months, the resources will be available in Norwegian, French, Portuguese, Spanish, Hungarian and Turkish!

Pilot Testing

Some of the project partners have started pilot testing the project resources to get key feedback from teachers and trainers. If you want to participate, please get in touch with the organisation in your country!
